# 2023 NEAUPG Mix Committee

- Timing of Committee Meeting  
Separate timing of Binder and Mix Committees  
Continue for 2024?
- Committee Activity and Involvement
- Regional Efforts: Training, State Regional Reports, etc.
- Regional SAPA Changes

## Questions and why we have a mix committee:

- If you had to qualify your biggest initiative, what would you say?
- What is the biggest/most important effort to improve your mix?
- If you had to pick one effort/initiative to pursue, what would it be?
- Is there any initiatives which could be implemented on a regional basis?

#### 4. State Regional Report - Potential Topics

# Our Challenge Great Quote

Jim Jordan

NYSDOT Region 4 Regional Materials Engineer

“We spend all this time tweaking the materials side of our business when only 9% of all problems with our roads are materials related. 91% of our problems are other issues”

# Our Challenge Great Quote

Russ Thielke

NYS DOT, Materials Bureau Director

“The most sustainable thing we can do is make pavements  
which last longer”
